Thanks Dick. Jan—is there a day/time that works best for you during the morning of Oct 31-Nov 2? Thanks.

jill

Jill:

I might be on travel that week but could probably be able to call in. Pick a time that works best for the group.

Dick

Hi Jill,

Any time Monday through Wednesday of that week works for me.

Cheers,

Andrea

Mon-Wed of that week would probably work - I'll be on travel Wed. afternoon through Friday. Mornings would be better than afternoons probably.

Best,  
Simone

**Subject:** Request for a meeting re: Pteropod data from 2011 and 2013

Hi all,

We have reviewed the data you provided to us, and are nearing a decision point for the Oregon list. We would like to schedule a meeting or a phone call to ask a couple of clarifying questions regarding the data, and to walk you through our interpretation and next steps. Can you please let me know if you have availability for perhaps 2 hours, either at our offices or by phone, to speak with a group of us sometime during the week of October 31? If there are a couple times that would work, please just let me know, and I'll gather folks here. Thank you so much.
